**10.30 from the Original London Visitor Centre.** See Buckingham Palace, St James's Palace and the regiments that guard them in this exciting walk as you march alongside the guards to Buckingham Palace.\*

**13.00 from the Original London Visitor Centre.** Be amazed! See where a prince was killed by cricket, the Beatles performing on a roof top were threatened with arrest, TV was born, Jimi Hendrix last played live, and where the ill-fated Titanic passengers bought their tickets. Also see where Lou Reed recorded Transformer, the world famous Carnaby Street and the Marquee Club home to Pink Floyd, David Bowie, the Rolling Stones and the Sex Pistols. It's strange, it's true, it's Rock 'n' Roll!

**15.30 from the Original Tour stop at the Tower of London on Tower Hill.** Walk in the footsteps of the world's most infamous serial killer as we reveal his murderous tale from the streets of Whitechapel in 1888.

**All tours take approx 90 minutes.** Please note that the Jack the Ripper walk will finish at Aldgate East tube station and not at one of our bus stops.

\* On non-guard change days walks go to Buckingham Palace and to St James's Palace where you can take photos of the sentry boxes. The guard change does not take place if it is raining.

Walking tours are included free with an Original Tour ticket but can be purchased separately at £7 each.
